

Terms & Conditions

This document sets out the terms and conditions between the Analytics Club at ETH and you when you register for any event organized by the Analytics Club at ETH. By purchasing a ticket or registering for an event organized by the Analytics Club at ETH or participating in a survey you are agreeing to comply with and be bound by these terms and conditions. You should read this document carefully. The Analytics Club at ETH reserves the right to change these terms and conditions at any time. Any amended terms and conditions will be posted on this website.

1. Organizer

ACE Datathon is being organized by the Analytics Club at ETH.

2. Declaration of Consent

I hereby give my consent for the Analytics Club at ETH (and its partners) to collect, process and use my personal data for the purposes of processing the registration and for any other use to which I have consented. This information will be used for the purposes of processing registrations and compiling participant lists which will be shared with our partners (if agreed in the application form). If you do not wish to appear on the participant list, please send us an email at datathon@analytics-club.org.

3. Registration

The Analytics Club at ETH reserves the right, at its sole discretion and without limitation, to disqualify any application that the Analytics Club at ETH deems inappropriate, objectionable and/or inconsistent with the positive image and/or good will the Analytics Club at ETH wishes to promote. I hereby give my consent for the mandatory and voluntary data collected from me during the registration for the ACE Datathon. I declare that the data I provide is correct and truthful. I acknowledge that I may provide the Analytics Club at ETH a reasonable timeframe to remove my details at any time that I no longer wish them to be stored. I acknowledge and accept that my data will be used for commercial purposes in accordance with this Data Protection Policy and Declaration of Consent and will be retained and stored for this purpose. If Analytics Club at ETH hold incorrect information about you which was originally submitted by you through this website, you have the right to have the data amended. Further, you have the right to have any information you have sent to us via this website and any other channels erased. To request your right to rectification and/or erasure

please send your request to datathon@analytics-club.org or in writing to:
Analytics Club at ETH

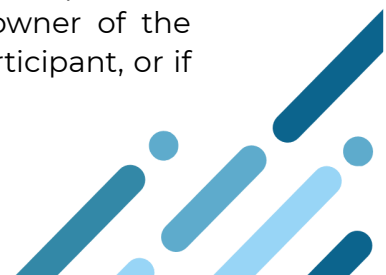

Lerchenrain 13-0
8046 Zürich.

Requests should include your name and address and a description of the specific personal data you wish rectified. Please note that the Analytics Club at ETH is not required to rectify or erase your data where doing so would prevent you from meeting your contractual obligations to Analytics Club at ETH or where Analytics Club at ETH is required to process (including retaining) your personal data for a lawful purpose in accordance with the Data Protection Acts. In the event of any conflict between these terms and the provisions of the Data Protection Acts, the Data Protection Acts shall prevail.

4. Intellectual Property Rights of Hackathon Projects

All submissions to the ACE Datathon Hackathon remain the intellectual property of the individuals that developed them. We encourage participants to open source their projects to both share their hacks with the greater community and promote innovation in this space.

By submitting a ACE Datathon Hackathon Entry or accepting any prize, participants have to represent and warrant the following: (a) they will not submit content that is copyrighted, protected by trade secret or otherwise subject to third party intellectual property rights or other proprietary rights, including privacy and publicity rights, unless participants are the owner of such rights or have permission from their rightful owner to post the content and to grant ACE Datathon Hackathon all of the rights granted herein; (b) participants will not publish falsehoods or misrepresentations that could damage ACE Datathon Hackathon, Sponsors, or any third party; (c) participants will not submit content that is unlawful, obscene, defamatory, libelous, threatening, pornographic, harassing, hateful, racially or ethnically offensive, or encourages conduct that would be considered a criminal offense, give rise to civil liability, violate any law, or is otherwise inappropriate or destructive to ACE Datathon Hackathon or Sponsors' brand image or goodwill; (d) participants will not post advertisements or solicitations of business; (e) the content submitted by the participant does not contain any viruses, Trojan horses, worms or other disabling devices or harmful code. By posting or submitting a ACE Datathon Entry to the Contest (regardless of the form or medium of such content), participants hereby grant Analytics Club at ETH a worldwide, perpetual, irrevocable, non-exclusive right and license, with the right to sublicense, to discuss, publicize, market and otherwise display content derived from or relating to the ACE Datathon Entry (only valid for Marketing Content), and to distribute and use such Marketing Content for promotional and marketing purposes (either in the form submitted or in the form of a derivative or adapted work).
